BULLETIN TO ALL LICENSED PROPERTY AND CASUALTY COMPANIES

**RE: CHANGES IN FILING INSTRUCTIONS, RATE EXHIBITS, PROBLEM AREAS,
AND ACCESS THROUGH THE INTERNET**

1. Effective 1-1-2000 the Department requires that property and casualty filings involving both rate/rule and forms be submitted **together** under the **same** cover. A Company Filing Number must be on every filing. A MISSISSIPPI COVER SHEET must be submitted with each filing in addition to the usual transmittal cover letter.
2. A new MISSISSIPPI RATEMAKING WORKSHEET replaces the old Mississippi Worksheet. All applicable EXHIBITS whether for a new program or change in existing program must be submitted; or filing will be placed in suspense until the completed exhibits are received. Forms for adoption of Rate Service Organization Prospective Loss Cost remain the same.
3. Mississippi is a Prior Approval State. All programs submitted for review using Guide "A" Rating must submit formula for the promulgation of these rates. A review of BULLETIN 98-2 regarding "Refer to Company" wording also is recommended.
4. Internet access to Property and Casualty Rating Division bulletins, filing information, and Mississippi forms can be made through the Department's Web Site at www.doi.state.ms.us. Click on MID OVERVIEW. Click on Property/Casualty Rating Division. Click on Property/Casualty Rate Filing Information.
5. **This bulletin should be made available immediately to all company personnel responsible for preparing state filings.**
